EXPERIENCE

3D Artist

B.U.T - Belgium, Dubai (UAE), Switzerland, Singapore 2018 - Present

- Worked on interactive installations for multiple events and venues. Worked in VR, AR, multitaction screens and educational video games.
- Modeled, textured and prepared 3D assets for use in game engines such as Unity and Unreal.
- Worked with developers to make sure the applications work smoothly.
- Set up scenes and environments in Unity and Unreal with lighting, materials and post processing adjustments.
- Worked on 3D and 2D animations in Blender and After Effects.
- Exhibitions and events I worked for in Dubai and Abu Dhabi include GITEX, ADIPEC, The Space Agency and EXPO 2020.
- Clients I worked for in Switzerland include SICPA and EATON.
- In Singapore I worked on an exhibition for P&G.

Freelance 3D Artist

2020 - 2021

Click and Market - New York (US)

- Modeled, textured and rendered food products for package design

Freelance 3D Artist and Animator

2020-2021

The Only Space Oddity - Dubai (UAE)

- Made 3D architectural renders for BAT's new factory in Jordan.
- Created 3D animation for FINE's new sanitizer product.

Media Intern

MBC Group - Dubai (UAE)

2017

- Worked on creating trailers and promotional videos for upcoming series on Premiere Pro
- Animated short social media videos for MBC4
